

GLEN URQUHART SCHOOL

Report of Giving

FISCAL YEAR 2017-2018

40+ FORWARD

Over 200 alumni, parents, and friends came back to campus this past June to reconnect and to celebrate “the lovely dream fulfilled.”

Once a barn
Became known as an educational holding,
The impossible
Became the safest place known.
With a courtyard once a grazing area,
And a field once a hay producer,
This was made a symbol of art.
A pond of crippled water,
Became a glistening creek.
The field of straggly hay,
Cut and cared for,
Became an unlimited blooming space.
The windows were trimmed
And the gravel rolled in.
The tulips were planted
And reached perfection.
The lovely dream was fulfilled.
In an effort of pleasure and beauty.
Once a barn became a holding for all people,
Not for a certain kind
But for all!

— Khristen Bellows '87

Thank You

GUS Community!

We are grateful for the many ways families and individuals have participated in and enriched the life of the school. From engaging in volunteer opportunities both on and off campus, to supporting our kids and programs, your efforts and generosity are always inspiring!

THE TADLER GRANT

Thanks to the initiative, foresight, and generosity of former trustee Richard Tadler and his wife, Donna, one or two GUS teachers are selected each year to participate in extraordinary professional development opportunities. Recipients choose activities they are passionate about and then return to GUS to share their experiences with the GUS community.

Richard and Donna Tadler P'05'09

GAIN@GUS SUMMER PROGRAM FUND

Special thanks to the following individuals, foundations, and corporations for making possible a summer academic and experiential enrichment like no other. GAIN@GUS, serving children from the cities of Beverly, Lynn, and surrounding areas, provides skills in math, language arts, and personal development through classroom and outdoor experiences, swim lessons, and off-campus day trips in the Greater Boston area each summer at no cost.

“ I give because GUS has prepared my daughter for high school and the wide world beyond. She is excited about learning and has become an articulate speaker, eloquent writer, and inspired artist. And she is aware of social justice and how the past informs the present. The GUS community embraced us when we entered in 5th grade, and it has been a joyful and awesome experience ever since.”

– Julie Whitlow P'17

ENDOWED FUNDS

The GUS Endowment, a perpetual source of support, is essential in sustaining the school's mission. Each year a portion of the endowment is paid out as an annual distribution to support the school's budget, while any appreciation is retained in the endowment so it can grow and bolster the school in all kinds of economic weather.

THE RAYMOND NANCE FUND

The Raymond Nance Fund was established in honor of Raymond C. Nance and his fifteen years of service to Glen Urquhart School as head of school. The fund is dedicated to strengthening the faculty and expanding the program so that GUS remains a leader in educational innovation.

“ We give because we believe those above-and-beyond efforts that receive funding from the GUS Fund are part of what makes GUS so special, whether it's our exceptional teachers and the innovative workshops they attend, the many adventurous field trips our children go on, or the fun and inspiring assemblies they get to be a part of. ”

– Christine Baxter and Tom Bernardi P'22'24

THE NORTHRUP-WARREN NATURE FUND

Named after founding students Molly Northrup '86 and Lisl Warren '86, this fund endows the study, interpretation, and preservation of the natural resources located on the Glen Urquhart School campus.

THE AUGUSTUS P. LORING LIBRARY FUND

The Loring Fund was established in 1986 to honor past grandparent Augustus P. Loring. Mr. Loring's firm belief that the strength of an educational institution is reflected in its library led to the establishment of this fund to strengthen our school and to pay tribute to his lifetime dedication to education. The income from this fund is used to acquire books for the GUS library.

Peter and Babette Loring P'92'94'97

THE KELLY STOTZ WYCKE FUND FOR SCIENCE

Established in 1999, this fund is dedicated to the memory of a loving parent who expressed a strong desire and commitment to enhance science education for GUS students.

THANK YOU, VOLUNTEERS!

“ A lot happens in eight years at GUS, and along the way we’ve met some truly great teachers and administrators who’ve helped to shape our daughter into the kind, confident, flexible thinker she’s becoming. A learning community that promotes creativity, collaboration, and good character—as much as scholarship—is worth supporting. ”
